

Hearing Protection Data Sheet

uvex hi-com

uvex hi-com

- Low attenuation (SNR 24dB) PU foam disposable earplug
- Suitable for noise areas up to 95dB
- Excellent speech and warning signal recognition
- Scientifically designed to reduce levels of 'inner ear sounds', which increase when earplugs are worn
- Increased surface area improves absorbency and creates a softer acoustic profile
- Reduced risk of over protection
- Shaped to match the shape of the ear canal for maximum comfort
- Colour options:
 Lime for high visibility
 Fawn for neutral or low visibility
